

Supplier Sustainability Questionnaire

Company Name:

Date:

The Supplier Sustainability Questionnaire must be completed and returned with your bid/proposal. This questionnaire is applicable to firms that provide services and/or goods.

1. What policies are in place to monitor and manage your supply chain regarding environmental issues? How does your company monitor and manage your supply chain regarding environmental issues?

2. What type of sustainable packaging/shipping materials do you use?

3. Does your company have a Green Transportation Plan for your operation?

4. What does your company do to minimize the environmental costs associated with shipping?

5. Does your company have an environmental policy statement? Please provide link.

6. Has your company ever been cited for noncompliance of an environmental or safety issue? If yes, state the reason, date, and outcome of the citation.

7. What programs do you have in place, or planned for promoting resource efficiency?

8. Does your company have web-based materials available documenting your “Green” initiatives? Please provide links.

9. If you are providing a product, does the manufacturer of the product that you are bidding/proposing have an environmental policy statement? If yes, please provide the manufacturer’s Environmental Policy Statement.

10. Have the product(s) that you are bidding/proposing been certified by a third-party organization, such as Green Seal or ENERGY STAR. If yes, which ones?
